How Merchants Are Robbed!

Procrastination is a thief that robs many merchants of profits and custom. For instance, those merchants who have delayed or been unable to "close out" Summer Stock until now are robbed of custom and profits, while those merchants who are not overwhelmed with old stock can now visit the wholesale markets and buy at half the prices demanded a few months since. The Palais Royal has closed out all undesirable stock, and its buyers are obtaining new stock, and offer goods at lower prices than the procrastinating merchants who are still advertising "closing-out" sales of

NEW GOODS RECEIVED THIS WEEK

(GENUINE STATEMENT OF QUALITIES AND PRICES.)

Umbrellas.

We bought last week and received on Tuesday of this week 100 dozon English Twilled Silk Univerlias, 28-inch Paragon frames, sticks made of one piece (not joined), in the following woods: Bamboo, cherry, ash, poplar. The fertiles have steel this, so that they will not war over. These funitellise are being advertised by our competitors for \$1.15, and are old stock. We offer new tock, and therefore more reliable, at \$1.98 each. We have a window filled with samples of these wonderful \$1.68 Unitedlas.

Look at them before you come in the store.

Underwear.

We received on Wednesday, July 22, 25 dozen Ladies' Lawn Dressing sacques, very handsomely tucked and embroidered, and shall offer them for \$1.15 and \$1.35.

Had we bought these goods three months ago they would have cost us at least \$1.50 each, and we should be offering them to-day as surplus or sailed stock for about \$1.45.

We bought this week, and offer them for \$1.15 and \$1.35, which is less than the price saked by progressimating merchants for old stock.

We also received on Wednesday 50 dozen Lonsdale Cambrie Corset. Covers, teautifully embroidered, square necks, 49c each, and we secured another bargain, viz.

70 dozen Night Gowns, tucked, cambrie ruffle, 50c each.

They are worth coming through the heat to obtain them,

Hosiery.

The following lots were received ten days ago, and have been already advertised, but they are such decided bargain we again quote them:

We had 75 dozen, but now only have 32 dozen, warmaned toll-boiled linglish Hose, in black and colors, white toes and heels, 35c a pair.

Our 50 dozen pair of Liele Hose are reduced down to 15 dozen. It is because they are only 45c a pair, are stilk finished, have white split feet, and come in blacks and all colors.

Ten days ago we opened 50 dozen Fancy Striped Hose, in new summer colors and material. They sold for 50c, and that is the price to-day, and please remember we only have 9 dozen pair left.

English Balbriggan Hose, with fine stripes and full regular improved shape, 24c a pair. That is why we now have only 3 dozen pair left, and ten days ago we had 50 dozen.

You must see that we are offering new goods at lower prices than asked elsewhere for old goods, or we should not do such a large business in Hosiery, especially during such hot weather.

KEEP COOL.

Not every one can have a private iceberg of his own, and not every one is so situated that he could sit down and take his "comfort" through a straw if he had. But when Summer Cloth-
